Did You Know?

- Through the SGA Giving Tree, hundreds of gifts were donated to needy families referred by community agencies including Catholic Charities, Aslan Youth Ministries, and Jewish Family and Children’s Service in Asbury Park. In addition to the Giving Tree, various student organizations provided entire families with presents and food for the holidays.
- The University Bookstore’s annual “Give A Little, Get A Little” food drive generated over thirty boxes of food for the Long Branch Public Schools.
- University Police organized its annual Toys for Tots drive.
- The Council for Exceptional Children provided an angel tree with tags listing gifts for specific children with special needs.
- Service Learning students supported Ronald McDonald House, the Long Branch Public Library, the Long Branch Senior Center and other non-profit organizations.
- Students wrote letters to the troops in Afghanistan.
- The Community Service Club helped to insulate a home for Habitat for Humanity, assisted with Project Homeless Connect, and volunteered at Meal at Noon.
- First Year Service Project raised $1,543 in the fall semester. The money was used to buy food for the Long Branch Middle School’s Thanksgiving Food Drive and for families in need in the local area.
- First Year Service Project put together 144 bags of cold weather necessities for local soup kitchens.
- The Monmouth University Greek Senate hosted the Inaugural “Hoops for Hope” Charity Basketball Game to benefit St. Jude Children’s Research Hospital.
- Students designed Web sites for the Monmouth Park Charity Fund and the Atlantic Highlands Arts and Film Festival, among others.
- Monmouth University Energy Service Corps volunteers weatherized forty-four buildings in New Jersey and held a day of education on January 5 at which they taught elementary school children about renewable and non-renewable resources.
- Student Government Association held a Charity Auction for Michael’s Feast.

A Note From President Gaffney

Welcome to Neighbor to Neighbor. This newsletter will provide you with information on the many interesting and educational happenings at Monmouth University.

The Spring semester is filled with many exciting events for the community. I hope you can join us for the 11th Annual Global Understanding Convention being held on campus April 2 to 6. The convention will provide numerous opportunities for the community to enhance their knowledge about the global challenges in today’s world.

We have many programs for you and your family -- summer classes, camps, athletic events, lectures, art exhibits, and performing arts events. I encourage you to visit our website at www.monmouth.edu to learn more about what we offer the community.

I hope to see you on campus soon.

Paul G. Gaffney II

Global Understanding Convention will be held in April

An Annual University-wide Interdisciplinary Convention Sponsored by the Institute for Global Understanding

Monmouth University’s annual Global Understanding Convention, Freedom, Sustainability, and Security: Creating Interconnected and Inclusive Communities, will take place April 2 to 6. The convention will provide numerous opportunities for the community to enhance their knowledge about the global challenges in today’s world. Events will include speakers, panels, films, classroom colloquia, poster sessions, and workshops for students and teachers from neighboring schools, community residents, and visitors.

The event is free and open to the public. For more information, call 732-571-3526.
Winter Commencement Ceremony

Monmouth University held its second Winter Commencement ceremony on Friday, January 13 at the Multipurpose Activity Center (MAC). Ambassador of Israel to the United States Michael Oren delivered the Commencement Address during the ceremony and received an honorary degree. Harry S. Pozycki, chairman and founder of The Citizens Campaign, also received an honorary degree during the ceremony. Monmouth University awarded approximately 650 undergraduate and graduate degrees during the ceremony.

African American Read-In Held at Monmouth University

On February 6th, the African American Read-in, co-sponsored by Monmouth University and West Side Christian Academy in Asbury Park, was held at Monmouth. Students from Kappa Delta Pi, the International Reading Association, the MU Community Service Club and others organized literacy-based activities in celebration of Black History Month for children from Asbury Park Middle School and West Side Christian Academy.

Comments, Questions, or Feedback?

Call the Office of Public Affairs at 732-571-3526 or e-mail ask_pa@monmouth.edu with your questions and comments.
Summer Tuition Reduced! This summer, students can take undergraduate courses in any of our five convenient sessions at tuition that is reduced by 15%. Call the Office of Undergraduate Admission for more information at 732-571-3456, or visit us on the Web at www.monmouth.edu/summer.

Summer Tuition Reduction for High School Students! High school students who qualify for Monmouth's College Acceleration Program (CAP) can enroll in introductory, college-level courses that are typically taken by college freshmen. These courses will generally be accepted for transfer at other colleges and universities. Students will be granted a 15% tuition reduction for up to six credits of course work. A minimum 3.00 GPA and a minimum 1500 combined critical reading, math, and writing SAT (or ACT equivalent) are required; 1050 combined critical reading and math SAT (or ACT equivalent) are required. PSATs will also be accepted.

Monmouth's Accelerated MAT Program! Our popular Accelerated Master of Arts in Teaching (MAT) program allows you to earn BOTH your Master of Arts in Teaching and New Jersey Teaching Certificate in just twelve months. Begin your coursework this summer! Graduate student fellowship awards are available to qualified students. Visit our Web site for details: www.monmouth.edu/mugradsummer.

New! Doctor of Nursing Practice (DNP) Program Starts in May! Monmouth is proud to be offering its first doctoral program, to begin this summer. The 36-credit master's degree program provides students with the skills necessary to influence and improve healthcare infrastructure and outcomes through the delivery of quality care. To learn more and apply, visit www.monmouth.edu/DNP.

Summer Athletics Camps! Monmouth University Athletics continues its popular summer camp program this year, offering a variety of camps for boys and girls of all ages. Camps begin as early as June. For more information, contact Charlene Siciliano (sicilia@monmouth.edu) or Nancy Benanti (nbenanti@monmouth.edu), or visit www.gomuhawks.com.

Local Schoolchildren Cheer on the Hawks
Children from the Monmouth County Park System's Coastal Activity Center cheered on the Hawks to a victory against FDU on February 11 and met with basketball players Phill Wait (left) and Ed Waite after the game.

Runners and Walkers are Encouraged to Support the Michael W. Thorne Four-Mile Run/Walk
Monmouth University is a proud sponsor of the Michael W. Thorne Four-Mile Run/Walk. Please join us in supporting this event in West Long Branch, Sunday, May 20, at 9 a.m.

Michael Thorne was a West Long Branch firefighter who died in the line of duty during a response call to Monmouth University. A scholarship exists in Michael's memory, and 100% of the proceeds from this race will go directly to fund the scholarship. The University is a sponsor of the Scholarship Four-Mile Run/Walk. On behalf of the organizing committee, we ask you, your family, friends, and colleagues to consider participating in the event.

Please contact Mindy Brady at 732-222-0725 or go to the Web site www.thornescholarshiprun.org for more information. We look forward to seeing you on May 20.

Students Help Raise Funds for Long Branch Fire Victims
Students held fundraisers on campus to benefit victims of the Brighton Avenue fire that left families homeless and destroyed businesses. Students collected donations at men's and women's basketball games and had a ribbon campaign.

The Greater Long Branch Chamber of Commerce is still accepting donations to help the fire victims. Gift cards, checks and cash may be dropped off at Central Jersey Bank, 627 Second Ave., to the attention of Carol Feldman.

The MAC hosted its first doctoral program, to begin this summer. The 36-credit master's degree program provides students with the skills necessary to influence and improve healthcare infrastructure and outcomes through the delivery of quality care. To learn more and apply, visit www.monmouth.edu/DNP.

“Coaching Boys Into Men” Program Held at the MAC

The Monmouth University Department of Athletics, in conjunction with the 180 Men’s Task Force, put on its annual “Coaching Boys into Men” program in the Multipurpose Activity Center (MAC) on campus in January.

The program features Monmouth University student-athletes and coaches interacting with local high school students, coaches and administrators in an open forum format on topics such as respect, sportsmanship, image and legacy. Over twenty high schools from Monmouth and Ocean County sent representatives to the program.

180, Turning Lives Around, is a private, non-profit organization dedicated to ending domestic and sexual violence in the local community. 180 has served 300,000 individuals and families for 30 years with a caring staff that provides immediate and long term support in assisting clients with the trauma they have experienced, while supporting them in obtaining services and making decisions that will turn their lives around.

Women in Sports Day

Monmouth University held an interactive conference for student-athletes from twenty-nine local middle schools for Women in Sports Day on February 11. Over 175 middle school girls, their parents, coaches, and administrators participated in the event.

Monmouth University student-athletes gave presentations and spoke to the students about leadership, confidence, and being a team player.

After the conference, the participants attended the Monmouth University women’s basketball game in the MAC and cheered on the Hawks against Fairleigh Dickinson.

ESPN Vice President Carol Stiff received the 2012 Rebecca Stafford Leadership Award during the event. In addition, “Play 4 Kay” breast cancer awareness festivities were held in honor of former North Carolina State coach Kay Yow. Monmouth University basketball coach Jenny Palmateer played for and was an assistant coach under Yow at North Carolina State.

For more information on “Play 4 Kay,” visit www.play4kay.org.

Free Web Site or Database Management System for Your Business

This spring, students in the Information Technology Minor program will be available to design a Web site and/or database management system for businesses, organizations, and individuals. Projects will be done in a six-week time frame and personnel must be available throughout this period to consult with students and provide details and content. There is no cost for the database or Web site design, however; expenses may be involved in making the Web site accessible to the public or obtaining the Microsoft Access database software.

All project proposals will be reviewed by a software engineering professor to ensure that they are appropriate for the class and the six-week time frame.

For further information, please contact Marilyn Ward at 732-571-4411 or mward@monmouth.edu.

School of Science Donates Over 500 Science Books To Zimbabwe University Students

Monmouth University’s School of Science employees, students, and alumni collected over 500 science books for its book donation project. The books were sent to faculty and students at Bindura University of Science Education (BUSE) in Zimbabwe. Chemistry Professor Tongesayi has strong ties with BUSE where he taught from its inception in 1996 through 2001 as the first lecturer and chair in the Chemistry Department. During a research trip to Zimbabwe this past summer, Dr. Tongesayi was stationed at BUSE and he conducted field research with BUSE faculty and students.

Student Athletes Deliver Gifts to Students at the Schroth Center

The Monmouth University Student-Athlete Advisory Committee (MSAAC) visited the students at the LADACIN Network’s Schroth Center in Wanamassa on December 16. The group, consisting of about fifty student-athletes and coaches, helped Santa deliver gifts to students in their classrooms.

This marks the 13th year that MSAAC has helped Santa deliver gifts to the students at the Schroth Center.

LADACIN Network (an acronym for Lifetime Assistance for Developmental and Challenging Individual Needs) is a non-profit agency whose mission is to provide education, therapeutic, social, residential and support services for people with cerebral palsy or other physical disabilities.

National MS Society’s Coast The Coast Ride May 19 & 20

Monmouth University is the starting place for the National MS Society’s “Coast the Coast Ride.” Several ride lengths are available accommodating the casual cyclist to the person looking for a challenge. The two-day will be held on May 19 and 20. The 170 mile ride overnight in Little Egg Harbor with a dinner at the Tuckerton Seaport and finishes in Cape May.

For more information, visit http://bikenjm.nationalmsociety.org

Volunteers Needed to Join Relay for Life at Monmouth University on April 13 & 14

Monmouth University Relay for Life 2012 will be held on Friday, April 13 and Saturday, April 14. Last year, the event raised over $50,000.

The American Cancer Society Relay for Life is a fun-filled overnight community celebration held in the MAC in which individuals and teams camp out and take turns walking or running around the track “relay” style to raise funds to fight cancer. At nighttime, participants hold battery operated tea lights around the track in a touching ceremony to honor cancer survivors as well as friends and family members lost to the disease.

If you would like to volunteer or find out how to build a team for the event, visit www.relayforlife.org
