QUESTION: WHAT IS YOUR OPINION OF THE EXPANDED PARIS PEACE TALKS? DO YOU THINK ANYTHING WILL DEVELOP FROM THEM?

DOUG SIMMS

Junior
Asbury Park

"As a Vietnam veteran I would like to see a quick settlement. However, it seems that these talks are a lot of baloney. The guys in the fox holes couldn't care less what size the tables were."

TONY GRAZIANO

Senior
Elberon

"With the new administration in there the talks will really get serious and I foresee a break and settlement in the near future."

WILLIAM G. SMITH

Senior
Matawan

"Hopefully, it will bring a settlement to the war. Our commitment in Vietnam is too great and we should definitely begin withdrawing our troops."

CHERYL CARTER

Freshman
Asbury Park

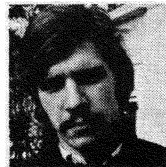

"Because of the new administration, I hope something should develop."

MARK WILLIAMS

Junior
Essex Falls

"I think they are great and hope peace comes out of them soon."

WANDA JOHNSON

Freshman
Asbury Park

"I don't think anything will develop from these talks, because so far all they have talked about is minute details."
