

# ***Paperback Drive For Servicemen Begins Monday***

Alpha Phi Omega, Monmouth College's service fraternity, is sponsoring a paperback book drive next week.

The fraternity is collecting books to be sent to servicemen stationed in Vietnam. Book Drive Chairman Charles Larsson has asked students to bring as many old paperbacks as they can into the student Union Building between May 5-9, where they will be collected by the brothers of APO. According to Larsson, "Your books may not seem important to you, but to the men overseas, they will be greatly appreciated."
