

Soldier Speaks:

Dear Sir:

As a member of the U.S. forces in Vietnam, I would like to congratulate my home state for having the petition of 2,000 signatures. This was brought to my attention, while reading one of our Vietnam Observers. My home is in Newark, New Jersey. It was really my pleasure to set aside a moment to thank Monmouth College.

**Thank you,

P.S. In my spare time I would enjoy answering any letters from your college.
