

Veterans Corner

The Monmouth College Veterans Club, Inc. would like to take this opportunity to welcome all incoming and returning students to the Monmouth College Campus.

This year the club executive board consists of President, Thomas J. Veth; Vice President, John Dillon; Treasurer, Terry Scheirer and Secretary, Stuart Hancock.

This year we have a number of activities planned. Starting with a hayride on Sept. 28th for Monmouth College veterans and their guests. On the 26th of October, we will be sponsoring a Pot Luck Supper in conjunction with a Halloween Costume Party to be held at the College Center. Later in the year we will be having a Hawaiian Night open to the entire college community. If there are any

questions please contact Tom Veth or John Dillon at Ext. 312.

This year's planned activities require a group effort. Any veterans interested in joining the club should come to the Veterans Service Office on the first floor of the College Center and fill out an application.

The Vet's Corner will be publishing recent releases from the V.A. as soon as they become available to us. This year we have a Veteran's Representative on campus: He is Garret Buttell of East Orange. Garret will be splitting his duties between Monmouth and Brookdale. Veterans should contact Garret at 312 for any veteran related problems. Or just stop in and have a cup of coffee and find out about your benefits.
