

Veteran's Corner

A recent release from the Veteran's Administration has announced an insurance program for veterans released from active duty after April 2, 1970. The policies range in face value from \$5000 to a maximum of \$20,000. The policies are 5 year non-renewable term insurance. The maximum policy can be purchased at a rate of \$3.80 per month for veterans 35 and under, and \$6.40 for veterans over 35. Applications can be obtained from the V.A. office in Newark or Veteran's Group Life Insurance Office at 212 Washington Place, Newark, New Jersey.

The Monmouth College Veterans Club would like to take this opportunity to invite all Monmouth College Veterans and their guests to a combination Pot Luck Supper and Halloween Party, to be held on Oct. 26, 1974 from 7 p.m. until 12:30 a.m. Admission will be a covered plate and a costume. There will be live entertainment, free prizes for best costumes and winners of games. Beer and liquor will be sold CHEAP. If interested in helping make this function a success, please contact Tom Veth or John Dillon at ext. 312 on campus.
